

April is Stress Awareness Month!

It's time to de-stress and gain more balance. As we leave March behind, we can begin rejuvenating and flourish – along with the spring flowers that are beginning to bloom.

Destress Treatments:

Peel Away Your Worries!

Are brown spots, fine lines, wrinkles, or other concerns about your complexion causing you stress?

Chemical peels come in a variety of treatment strengths: light, medium, deep and customized combinations.

The best part? They require little to no downtime and offer impressive beautifying and anti-aging results!

Price: Regularly \$129, now \$105
Snag a series of 3 for \$300

CBD Massage

The perfect remedy to sooth aching joints and muscles. 200mg full spectrum massage oil binds to the CB2 receptors in the body promoting recovery and repair while banishing inflammation. Comforting massage strokes assist in silencing anxiety promoting a mental and physical reprieve.
